Could you please tell us now in your own words, how you have found Care for Me as a Homecare Company? How was the carer who looked after you/ your loved one? Was the contact with the Office / Manager a nice experience? And would you recommend Care for Me to other people who you may or may not know?

The care is very good. The carers are great. Contact with the office was easy. I would recommend Care for Me to other people. It was the best thing we ever did for Martin & Marie Colfer.
