

Could you please tell us now in your own words, how you have found Care for Me as a Homecare Company? How was the carer who looked after you/ your loved one? Was the contact with the Office / Manager a nice experience? And would you recommend Care for Me to other people who you may or may not know?

I started with Care for Me in Feb. this year. I found the first introduction visit very pleasant. I have not had a reason to be in touch with the office much since but always know they are there if needed. The carer coming to my husband is a young girl called Felicia. She is the most caring, pleasant, reliable girl I could have wished for. My daughter and son-in-law were home on a holiday in July and were blown away with Felicia and the care she gives to Joe. Judging by my experience I would certainly recommend Care for Me.
