

Could you please tell us now in your own words, how you have found Care for Me as a Homecare Company? How was the carer who looked after you/ your loved one? Was the contact with the Office / Manager a nice experience? And would you recommend Care for Me to other people who you may or may not know?

I have found the Homecare company to be very helpful in fulfilling my Father's needs.

The carer who looks after my Father goes above and beyond to make him comfortable and feel at ease. She is such a great help and really takes great care of my Father. I found the management to be very helpful and eased my Father into having a carer which he was uneasy about. I would highly recommend the company to others.
