

Could you please tell us now in your own words, how you have found Care for Me as a Homecare Company? How was the carer who looked after you/ your loved one? Was the contact with the Office / Manager a nice experience? And would you recommend Care for Me to other people who you may or may not know?

I found the Care for Me Homecare Company very good. I was very sorry to lose Meg & Justin they were very kind was always on time we had some lovely chats. I would love for them to call if they have any spare time. I hope they know that it was nothing to do with me. I was very happy with both of them. I have a new carer now she is very kind. I would also like to thank Linda she is a lovely person it was a pleasure to have met her. I hope all is well.

Thanking you all

God Bless
