

Could you please tell us now in your own words, how you have found Care for Me as a Homecare Company? How was the carer who looked after you/ your loved one? Was the contact with the Office / Manager a nice experience? And would you recommend Care for Me to other people who you may or may not know?

I would definitely recommend Care For Me. You have been looking after my aunt now for six months, in the beginning my aunt felt she didn't need a carer but with the gentle persuasion from her carer Deirdre she has come to look forward to the daily visits.

Whenever I have phoned the office, you have been very professional & sympathetic to the needs of my aunt.

Deirdre has a great way of approaching Phyllis regarding for instance personal hygiene. Deirdre brought up the subject of a wash & after a little chat Phyllis asked her would she help her.

about things,

Marie Kenna
