

Could you please tell us now in your own words, how you have found Care for Me as a Homecare Company? How was the carer who looked after you/ your loved one? Was the contact with the Office / Manager a nice experience? And would you recommend Care for Me to other people who you may or may not know?

Carer is very competent in her job. she does what I ask her to do ~~to do~~ & carries out the tasks well. She is very efficient.

From my experience with the company I will certainly recommend Care for Me.
