

Could you please tell us now in your own words, how you have found Care for Me as a Homecare Company? How was the carer who looked after you/ your loved one? Was the contact with the Office / Manager a nice experience? And would you recommend Care for Me to other people who you may or may not know?

We have been happy with the care provided. Both Fortare and Cynthia are very pleasant and helpful. We would recommend Care for me to other people.

We originally had a carer at weekends who was not reliable but when we informed the Office they arranged a change which was required.

We are thankful for all the help.
